

Belmor's heavy-duty reinforced vinyl Winterfronts are a cold weather necessity. Designed to OEM specs, they protect radiators and grills from snow and ice, helping maintain optimum engine operating temperatures even in sub-zero conditions.

Belmor Winterfronts...Like a wool scarf in the dead of winter

BELMOR WINTERFRONTS

Styles include American flag designs, black quilted material and OEM logos, plus yellow Winterfronts for school buses. Mounting styles include snaps and turnbuttons (turnbutton hardware additional). All install easily. When the weather turns warm, just replace your Winterfront with a Belmor Bug Screen.

Keep your engine out of the deep freeze. Contact your local dealer and order a Belmor Winterfront today.

*Other styles and OEM logos available.
See complete listing on reverse side.*
